

TITLE OPERATIONS MANUAL	STANDARD INSTRUCTION 02		DEPARTMENT FIRE
SUBJECT FIRE SUPPRESSION: SPECIAL EMERGENCIES	SECTION 07	PAGE 1 of 1	EFFECTIVE DATE 12/06/2011

I. PURPOSE

To establish policies and procedures for Fire-Rescue personnel when responding to fire related emergencies involving locations or materials that require specialized knowledge or equipment.

II. SCOPE

This policy shall apply to all SDFD Personnel.

III. AUTHORITY

The Fire Chief in coordination with the Assistant Fire Chief of Operations, Deputy Chief Shift Commanders authorizes the information within this policy.

IV. POLICY

Officers having special or unique operating problems within their district are encouraged to establish in writing any special procedures to be submitted through the chain of command to the Deputy Chief for approval. If approved, they shall be put into effect, giving special attention that all employees (including relief personnel) thoroughly understand and can execute the special procedures.
