**I. PURPOSE**

The purpose of this Standard Instruction is to provide operating procedures and guidelines for this Department's training programs designed to better enable the employee to effectively understand and perform all functions of the Fire Service.

The procedures and guidelines presented here are designed to assist the Department in both scope and practice with all functions as they relate to training and certifications.

**II. SCOPE**

This policy shall apply to all SDFD Personnel.

**III. AUTHORITY**

The Fire Chief authorizes the information within this policy.
