SUBJECT: JETBOIL Stoves for Strike Team Units

Thanks to a generous donation from the San Diego Fire-Rescue Foundation, all Type 3 and Type 1 engines identified on the strike team rotation will receive a JETBOIL camp stove. The stoves will be delivered to battalion headquarters and issued to identified units by their respective battalion chief.

Each stove will be issued in a steel ammo can for safe storage. Fuel, coffee, meals, and other accessories will not be provided. Acquisition of these items will be the responsibility of personnel assigned to the unit/station.

**This is a one-time issuance of this equipment. Damaged, lost, or stolen stoves will not be replaced.**

Questions can be routed through the chain of command to Battalion Chief Ted Moran.
